## Installer Training Class Registration Form

NDSL requires a \$250 reservation fee per class attendee. A valid credit card is required to reserve space in an upcoming training class. NDSL will only charge the provided credit card if a registered participant fails to attend and is deemed absent or cancels without proper notice.

NDSL must be notified of cancellations or changes within 48 hours of the training class date to avoid the \$250 reservation fee being charged to the card provided.

### Installer Training Course Requirements:

- Read the Installer Training Class Primer prior to training day.
- Review the Installer Training Class Agenda prior to training day.
- Bring your own laptop for the hands-on training portion.

**NDSL reserves the right to withhold or deny certification to any attendees whom have not met the above criteria, performed well in class, or failed the Installer Certification Exam.**
